

The City of Smithville is soliciting statements of qualifications for engineering services to assist with an ARP project.

**Project:**

Renovation and replacement of approximately 9,000 L.F. of gravity sewer lines that are believed to be subject to high amounts of inflow and infiltration and that have reached the end of their useful life using open-cut replacement, pipe busting replacement, cured-in-place pipe rehabilitation, open-cut point repairs, new manholes, and appurtenances.

Respondents will be evaluated on the basis of the written materials submitted and according to the four factors described below. Therefore, Statements of Qualifications should include:

- a. Specialized experience or technical expertise of the firm regarding engineering design and inspection services for the type of project being undertaken (25 points).
- b. Record of past performance on contracts with Jackson County and other clients, including quality of work, timeliness, and cost control (25 points).
- c. Capacity of the firm to perform the work within time limitations, taking into consideration the firm's current and planned workload, including submission of the application questions and cost estimate in time for the 2022 application (25 points); an
- d. Familiarity of the firm with the type of problems applicable to the proposed project (25 points).

Interested firms or individuals must submit qualifications by 1:00 p.m., July 25, 2023, to:

Josh Miller, Mayor of Smithville  
104 East Main Street  
Smithville, Tennessee 37166

Please state "ARP FUNDS QUALIFICATIONS STATEMENT-ENGINEERING PROCUREMENT" on the outside of the package.

The successful firm or individual must comply with Executive Order 11246, Equal Employment Opportunity, the Civil Rights Act of 1964, Section 109 of the Housing and Community Development Act of 1974, and Section 3 of the Housing and Urban Development Act of 1968.
